La Candy

I read it in a weekend, and as I read, I was often left wishing it would "Hurry up & get to the good part.." I love Lauren Conrad's website, clothes & etc...but I just felt LA Candy should've been edited better. The story content was pretty weak and took so much time trying to elaborate on things that were commonly understood.

I love the LA Candy series. I read all 3 books pretty quickly, they are all a very fast read. The characters are relatable and the story is entertaining. This is a very young book so not deep but really fun to read. It was interesting to think some of the things she wrote about were true to filming a reality tv series
