

La Chemise

The crowd opens with Aunt Polly crossing the fence in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom runs out dramatically, "Look behind you!" and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects carefully on Tom's mischief and how she lets him get away with too much.

Tom crosses fence at supper time. During supper, Aunt Polly announces and reads a notice from the village in which every boy has to get his school books by the first of the month, that he must do his best to do his school work.

Tom goes out of the house to play the streets of St. Petersburg. Tom and the new school children chase the swallows all the way home.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirty clothes and decides to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Tom passes by, and Tom tries to get him to do some of the whitewashing in return for a "white alley," a kind of excuse. Tom almost agrees, but Aunt Polly appears and chases him off, leaving Tom alone with his labor.

Tom tells her about his adventure and how he got the jam on his hands. She tells him that he is a bad boy and that he should be whipped. Tom tells her that he was out of the house and that he was out of the house. Tom tells her that he was out of the house and that he was out of the house. Tom tells her that he was out of the house and that he was out of the house.

La Chemise

Today's post is on the chemise a la reine, which I talked about in the BBC article about shocking trends in fashion history here. I wanted to put this up now, because it's important background information for the next part of my post on Self Portrait with a Harp.

The Chemise a la Reine - The Fashion Historian

La Chemise etablerades år 1965. Patrik och Carl-Mikael Dahl, bröder och delägare i tredje generation.

La Chemise

A chemise or shift is a classic smock, or a modern type of women's undergarment or dress. Historically a chemise was a simple garment worn next to the skin to protect clothing from sweat and body oils, the precursor to the modern shirts commonly worn in Western nations.

History. René Lacoste founded La Chemise Lacoste in 1933 with André Gillier, the owner and president of the largest French knitwear manufacturing firm at the time. They began to produce the revolutionary tennis shirt Lacoste had designed and worn on the tennis courts with the crocodile logo embroidered on the chest.
